I will actually be in a conference with those who have applied on the 29th and would love to issue awards late that afternoon. Do you think that might be possible?

Hello Diane,

Thank you for your patience. Attached are the formal grant recommendations from our Grant Review Committee. We worked with each agency to ensure that all requests are in line with grant funding and that each agency qualifies for the funding. We look forward to seeing this incredible opportunity assist many in our state. Please let me know if you need anything else.

Thank You!
